**Description:** What a beauty this boy, his silver and black coat is gorgeous. This dog was seen being thrown from a truck but no one could get the license number of the thug who did this. A wonderful person quickly got the dog and kept it for a few days until she turned it into the shelter so more people could see this beautiful dog. When this dog stretches his body against the kennel door his head touches the top. The rescuer had both dogs and cats and she said that he got along very well.

with them. This is one awesome looking boy.

**Description:** Zeus lived with other dogs in the house. He is very playful and affectionate. Loud noises frighten him. He likes stuffed animals, doggie treats and baths! Zeus is a 15 month old neutered male German Shepherd, housebroken, leash and crate trained. He sits, shakes and stays some. Barks at strangers and visitors, likes chew bones, toys and playing. Takes time to warm up to people, but is very affectionate and gentle, just needs more socialization. Living with 2 cats, 1 other dog 2 adults and a 9 year old and a 14 year old. Will do better with someone familiar with the Shepherd breed.
